

Technology (IS) Roundtable

June 9, 2010

Noon – 1:30 p.m.

Brandywine Country Club

The Technology (formerly the Information Systems Roundtable) Series gives technology professionals the ability to converge and discuss current struggles, successes and ideas amongst peers in an informal atmosphere. The roundtable also serves as a networking opportunity for System Administrators, IS Managers and System Engineers. Discussions at the Technology Roundtable could help advance your organizations' technology, as well as give the participant the ability to stay up-to-date with new developments, processes, software and hardware. Participants come from a variety of organizations: profit, non-profit and government. This array of organizations allows for diverse insights, experiences and observations.

The Employers' Association believes in providing services in a timely manner and the Technology (IS) Roundtable Series is no different with prompt start and stop time – noon to 1:30 p.m. - at Brandywine Country Club. A facilitator keeps the discussion flowing and lunch is included in the series price.

Challenge & Success Stories

Sharing information is one of the best tools to learn by. In response to attendees at our Roundtables, the June 9th meeting will be devoted to discussion will focus on the biggest challenges participants are facing and what they are doing about them. Please bring your "Biggest Challenge" and your "Biggest Success" to share with the group.

Please consider the following questions in preparation for the discussion:

- What are your biggest current and future cost concerns?
- What challenges are you facing and what have you done to stay ahead?
- Are your biggest challenges internal or external?
- What lessons have you learned over the years that help you overcome problems – regardless of their nature?

Our Facilitator:

As requested by members, this will be a true roundtable discussion. The facilitator is you!
