

## Technology (IS) Roundtable

December 8, 2011

Noon – 1:30 p.m.

Brandywine Country Club

**The Technology (formerly the Information Systems Roundtable) Series** gives technology professionals the ability to converge and discuss current struggles, successes and ideas amongst peers in an informal atmosphere. The roundtable also serves as a networking opportunity for System Administrators, IS Managers and System Engineers. Discussions at the Technology Roundtable could help advance your organizations' technology, as well as give the participant the ability to stay up-to-date with new developments, processes, software and hardware. Participants come from a variety of organizations: profit, non-profit and government. This array of organizations allows for diverse insights, experiences and observations.

**The Employers' Association** believes in providing services in a timely manner and the Technology (IS) Roundtable Series is no different with prompt start and stop time – noon to 1:30 p.m. - at Brandywine Country Club. A facilitator keeps the discussion flowing and lunch is included in the series price.

### *Round Robin Peer Discussion*

Think you're the only one having concerns and questions regarding the demands on you regarding your job? Join us for this old-fashioned Round Robin Peer Discussion. Bring your questions, share your successes.

This session will offer a unique opportunity to interact with peers of the technology industry, learn from peers and, most productively, benefit from each other's respective experiences.

**You are the facilitator!**
